Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Saturday 13 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Clear spells and blustery showers. Rain for some Sunday afternoon.

This Evening and Tonight:
Many eastern areas dry with clear spells with a touch of frost possible. Elsewhere, clear spells and blustery showers, these heaviest and most frequent in the north and west.

Sunday:
Sunny spells and a few showers across the north and northeast. Across western and southern Scotland cloud increases through the morning with outbreaks of rain spreading southeast in afternoon.

Outlook for Monday to Wednesday:
Mainly dry Monday with sunny spells before rain spreads east in evening. Tuesday and Wednesday look cloudy in east with increasingly patchy rain, but dry with sunny spells in west.
